Glendon BioFilter Polyethylene Containment Vessel (PM-120 Glendon Basin) Approval

Dear Mr. Lowe:

Thank you for your most recent submittal on the wastewater tank listed above. The plans for the above referenced tanks have been reviewed and are hereby **APPROVED** as submitted, subject to the following conditions:

1. The tank is installed according to the manufacturer's installation instructions.

Please be aware that design and construction standards for wastewater system tanks are being developed. Once the standards are effective and once your company is notified, your firm should re-apply for approval per the requirements outlined in the standards.

Thank you again for your submittal. If you have any questions, please feel free to contact us.

Sincerely,

Mamdouh H. El-Aarag, P.E.
Environmental Engineer
